AUGUST 2025

Dear Esteemed Members,

Warm greetings to all.

The Income-tax Department has granted much-needed relief to taxpayers and professionals by extending the due date for filing Income-tax Returns for Individuals and HUFs not liable to audit for FY 2024-25 (AY 2025-26) from 31st July 2025 to 16th September 2025. Further, the due date for Tax Audit has also been extended, providing additional time to ensure accuracy, compliance, and quality in reporting. This extension offers us an opportunity to move beyond deadline-driven compliance and focus on robust documentation and professional excellence.

In light of these developments, the Anand Branch proposes to organize an in-depth seminar on "Changes and Precautions in Tax Audit Report and Documentation". The objective of this program is to discuss recent amendments, practical challenges, common pitfalls, and risk areas, while equipping members with effective strategies to enhance audit quality and safeguard professional responsibility.

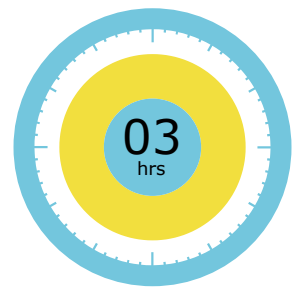

I urge all members to utilize this extended timeline judiciously, participate actively in the forthcoming programs, and continue upgrading their knowledge and skills. Together, let us reinforce trust, competence, and credibility in our profession.

With Warm Regards,

CA Ronak Goyal  
Chairman, Anand Branch of WIRC of ICAI
