ANAND BRANCH

Chairman's Desk

Dear Esteemed Members,

As we arrive at the final official month of the year 2025, I take this moment to express my heartfelt gratitude to each one of you. Serving as the Chairman of the Anand Branch has been a privilege and a deeply enriching experience. This journey would not have been possible without the unwavering support, cooperation, and trust of our members, committee colleagues, past chairpersons, faculty, students, and well-wishers.

Together, we have celebrated learning, service, unity, and professional excellence. Every initiative, discussion, and event strengthened our collective spirit and reaffirmed the values of our noble profession.

As I bid farewell in this role, I do so with immense pride, cherished memories, and confidence that the Branch will continue to scale greater heights under future leadership. I remain ever grateful and always connected to the Anand Branch family.

With warm regards and best wishes,

CA Ronak Goyal
Chairman, Anand Branch of WIRC of ICAI
