Message by Chair

Dear Members,

The Anand Branch recently witnessed a series of meaningful initiatives reflecting our commitment to nation-building and social responsibility. Youth Day was celebrated with great enthusiasm, inspiring students to channel their energy towards learning, leadership, and professional excellence.

Further, the Branch organized a Blood Donation Camp, where members and students came forward voluntarily, contributing 18 units of blood—an admirable gesture of compassion and service to society. We also proudly conducted the Flag Hoisting Ceremony at the Branch Office, fostering unity, patriotism, and collective pride.

On the professional front, members are encouraged to stay updated as the new Income-tax framework has been rolled out, bringing significant changes and opportunities for the profession.

Due to deadline for return filing, the committee has decided not to conduct any CPE event for the members for the month of July 2025.

Together, let us continue to learn, serve, and lead with purpose.
Warm regards,

CA Ronak Goyal
Chairman, Anand Branch of WIRC of ICAI

Date Of Event:- 01 / 07/ 2025
