From The Desk of Chairperson

Dear All,

“निशान यूँक माङ्क, न माङ्क नीयुं निशान”

As we bid adieu to the financial year 2022-23 and open up for new financial year 2023-24, I remember the above lines said by my teacher during school days which signifies the importance of aiming high. I wish all of us aim high for the upcoming financial year and set new bench marks on professional, personal and of course social fronts.

We opened the month of March 2023 with ज्ञान विस्तार - a full day workshop under the aegis of CPE committee of ICAI. CCM CA Purushottam Khandelwal - Chairman of CPE committee in his address shared important updates of significant events / developments at The ICAI. Shri Vinod Chakarvarty - Addl. Commissioner of Income Tax, Anand was Chief Guest at said event and delivered key note address for the participants. I express sense of gratitude to both of our guests and also to our learned faculties CA Chintan Patel, CA Divyang Shah & CA Rushabh Shah for their sessions.

This was followed by celebration of International Women's Day at branch. I thank coordinators CA Prinsa Prajapati, CA Neha Mistry, CA Niyati Mistry and CA Dhruvika Patel and our female members and students for making the celebration a grand success.

Then we were graced by the presence and got opportunity to host office bearers of WIRC 2023-24 i.e. CA Arpit Kabra - Chairman, CA Sourabh Ajmera - Secretary, CA Ketan Saiya - Treasurer, CA Pinki Kedia - WICASA Chairperson, CA Vikash Jain - RCM & Branch Nominee of Anand branch for term 2023-24, CA Chintan Patel, CA Ishwar Jivani & CA Rahul Parikh - RCM from WIRC of ICAI. We missed the presence of CA Hitesh Pomal - Vice Chairman. Our thought leaders i.e. Galaxy of Past Chairman of Anand

branch, members, students were benefited by interactions and address from office bearers.

This event was followed full day workshop on Bank Branch audit. I take opportunity to thank learned faculties CA Niranjan Joshi, CA Kuntal Shah & CA Nayan Kothari for their value added sessions.

Simultaneously we had arranged interactive meeting of WIRC office bearers with CA Manish Ojha - CFO of AMUL, Shri Nikunj Soni - CEO, Anand Agricultural University Incubation Centre, Shri Ashok Gupta - Asst. Commissioner CGST, Shri Rajnikant Chaudhary - Asst. Commissioner CGST, Shri Gopal Makwana - Asst. Commissioner - Audit - CGST, Shri Niranjan Patel - Hon. Vice Chancellor, Sardar Patel University, Dr, Sandeep Bhatt - Head of Dept. & Dr. Kamini Shah - Asst. Professor from Post Graduate Dept. of Business Studies, Sardar Patel University. I express my deep sense of gratitude to CA Arpit Kabra and entire WIRC team for giving us an opportunity to host them and explore avenues to contribute to our profession.

For students we had organized Mock Test paper Series I for May 2023 exams. With an aim to improve performance in exams Ranker's Talk w.r.t exam preparation was organized. And we concluded month of March 2023, with crash course for CA Intermediate students (joint event with Gandhidham, Navi Mumbai, Pune, Jamnagar, Thane, Nanded, Rajkot, Satara, Goa, Kalyan Dombivali, Jalgaon, Agra, Mathura, Ratlam, Jodhpur, Kolkata & Guwahati branches of CA Students association).

Impact of amendment to Stamp Duty Value under Income Tax Act, 1961

There will be increase in Stamp duty value for immovable property in Gujarat with effect from 15th April, 2023 as per circular dated 4th February, 2023, it has been announced on same day but it has been postponed and will be implemented from 15th April, 2023, which will be directly impacting on capital gain / business/other income also as per the income tax provision of section 50 C or 43 CA as the case may be, where the consideration received or accruing as a result of the transfer by an assessee of a capital asset, being land or building or both, is less than the value of adopted or assessed or assessable by any authority of State Govt., for the purpose of payment of Stamp duty in respect of such transfer, the value of adopted or assessed or assessable shall be deemed to be full value of the consideration received or accruing as a result of such transfer. Therefore, if the value adopted or assessed or assessable for stamp duty purposes is more than the consideration returned by the assessee then the value adopted or assessed or assessable for stamp duty purposes will be deemed as full value of consideration.

The Finance act, 2020 has amended proviso to section 43CA(1) and also the third proviso to section 50C(1) from the assessment year 2021-22 so as to enhance the tolerance band from 5 per cent to 10 per cent. Therefore, where the value adopted or assessed or assessable by the authority for the purpose of payment of stamp duty does not exceed on hundred and ten per cent of consideration received or accruing as a result of the transfer, then consideration so received or accruing as a result of the transfer shall, for the purposes of computing profit and gains or capital gains from transfer of such asset, be deemed to be full value of the consideration (FVOC).

Here the conclusion will be,

- 1) Full value of Sales consideration (SC) is equal to SDV (Stamp Duty Value) or SC whichever is higher
- 2) But if SDV is not more than 10% of of SC then FVOC will be Sales consideration.

Now if Stamp duty rate increases then FVOC will also be increased and capital gain will be higher proportionately.

For example,

Property	SDV on 15-Mar-23	SDV on 15-Apr-23	Sales Consideration	FVOC for 50C on 15-Apr-23
A	15,00,000	30,00,000	25,00,000	30,00,000
B	12,00,000	26,00,000	24,00,000	24,00,000
C	10,00,000	20,00,000	15,00,000	20,00,000
D	6,00,000	12,00,000	11,00,000	11,00,000

The Finance act 2016 has inserted to two provisos to section 50C(1) effective from the assessment year 2017- 2018 so as to provide that:

- (a) where the date of the agreement fixing the amount of consideration and the date of registration for the transfer of capital assets are not the same, the value adopted or assessed or assessable by stamp valuation authority on the date of agreement may be taken for the purpose of computing full value of consideration for such transfer.
- (b) it is provided further that the first proviso shall apply only in a case where the amount of consideration, or a part thereof, has been received by way of an account

payee cheque or account payee bank draft or by use of electronic clearing system through such other electronic mode as may be prescribed, effective from assessment year 2020-21, on or before the date of the agreement for transfer.

Thus if Agreement (Banakhat-Registered is Beneficial) for sale is done before transfer of property or sale deed and part consideration is received by way of account payee bank or draft or use of electronic clearing system through such electronic mode then SDV will be considered at the time of agreement rather than at the time of sale deed.

For example,

Property	SDV ON 15-Mar-23	SDV ON 15-Apr-23	AGRREMENT DATE	Part Consideration on Agreement date	FVOC AS PER 50 C ON 15-Apr- 23
A	5,00,000	10,00,000	17/03/2023	51,000-BANK	5,00,000
B	8,00,000	16,00,000	25/03/2023	11,000-CASH	16,00,000
C	10,00,000	20,00,000	05/04/2023	1,11,000- BANK	10,00,000
D	15,00,000	30,00,000	17/04/2023	51,000-BANK	30,00,000

(We have assumed that sales consideration is lower than stamp duty value.)

This analysis is from the view point of seller. There will be same impact from the view point of Purchaser also according to section 56 (2) (X) regarding Gift of immovable Property as follows:

where any person receives, in any previous year, from any person or persons on or after the 1st day of April, 2017:—

(a) any sum of money, without consideration, the aggregate value of which exceeds fifty thousand rupees, the whole of the aggregate value of such sum;

(b) any immovable property:—

(A) without consideration, the stamp duty value of which exceeds fifty thousand rupees, the stamp duty value of such property;

[(B) for a consideration, the stamp duty value of such property as exceeds such consideration, if the amount of such excess is more than the higher of the following amounts, namely: —

(i) the amount of fifty thousand rupees; and

(ii) the amount equal to five/ten per cent of the consideration

Provided that where the date of agreement fixing the amount of consideration for the transfer of immovable property and the date of registration are not the same, the stamp duty value on the date of agreement may be taken for the purposes of this sub-clause:

Provided further that the provisions of the first proviso shall apply only in a case where the amount of consideration referred to therein, or a part thereof, has been

paid by way of an account payee cheque or an account payee bank draft or by use of electronic clearing system through a bank account [or through such other electronic mode as may be prescribed], on or before the date of agreement for transfer of such immovable property:

Provided also that where the stamp duty value of immovable property is disputed by the assessee on grounds mentioned in sub-section (2) of section 50C, the Assessing Officer may refer the valuation of such property to a Valuation Officer, and the provisions of section 50C and sub-section (15) of section 155 shall, as far as may be, apply in relation to the stamp duty value of such property for the purpose of this sub-clause as they apply for valuation of capital asset under those sections.
