Chairman's Desk

Dear Professional Colleagues,

Greetings from the Anand Branch of WIRC of ICAI!

As we step into another exciting month, I take this opportunity to express my gratitude to all our members for their active participation and unwavering support in the activities conducted by our branch. February 2025 was a month filled with knowledge-sharing, networking, and engagement, keeping up with the dynamic developments in our profession.

The highlight of the month was undoubtedly the Union Budget 2025, which we closely analyzed through multiple initiatives. We began with a Live Budget Screening on 1st February, allowing members to witness the announcements in real-time. This was followed by a detailed discussion on the Budget at a seminar with the Vitthal Udyognagar Industries Association on 3rd February, where we engaged with industrialists on the budget's implications for the business community. On 4th February, we conducted a Budget Seminar for our members, offering insights into key policy changes, tax proposals, and their impact on different sectors.

Apart from professional development, we also celebrated camaraderie and fitness through our Sports Day on 9th February. It was wonderful to see our members step away from their desks and engage in a spirit of healthy competition and fun!

A significant milestone of the month was the Changeover of the Managing Committee on 18th February, marking the beginning of a new term filled with vision, dedication, and responsibility. The same day, we also organized a Seminar on the New Income Tax Bill, ensuring our members stay updated with the evolving tax landscape.

Chairman's Desk

Furthermore, we had the honor of meeting Dr. Niranjana Patel, Vice Chancellor of Sardar Patel University, to discuss future collaborations and upcoming events with the university. Strengthening ties with academic institutions remains a priority for our branch, as it helps bridge the gap between theory and practice, benefiting both students and professionals alike.

I sincerely appreciate the efforts of our committee members, volunteers, and participants for making these events successful. As we move forward, let us continue our journey of professional excellence, learning, and networking. I look forward to your continued support in the upcoming initiatives of our branch.

Wishing you all a wonderful month ahead!

Warm Regards,

Vice Chairman's Desk
