Dear Members,

# Chairman's Desk

It is a privilege to connect with you through this second edition of our newsletter. The past month has been an enriching journey, filled with learning, collaboration, and insightful experiences. Witnessing the vision and dedication of WIRC members has been truly inspiring, and at AIMCMM, we had the opportunity to gain deeper insights into the broader vision of ICAI leadership.

As Chairman, along with my committee, our goal is to align and enrich both central and regional perspectives, ensuring that the vision of ICAI resonates strongly with the members of Anand Branch.

We are committed to reaching and engaging with as many members as possible, and through this newsletter, we aim to keep you well-informed about the ongoing events, initiatives, and activities of the branch. Your support, participation, and feedback continue to inspire us to strive for excellence.

Looking forward to growing together!

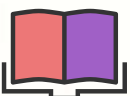

Warm regards,  
CA Ronak Goyal

Chairman, Anand Branch of WIRC of ICAI

# Evolving Financial landscape for MSMEs from FY 2025-26

Author :- CA Ketan Samdani

01st April 2025 will mark the opening of new financial year 2025-26 in a different manner. The Government have announced few changes impacting classification of unit as MSMEs and also made changes to the CGTMSE Scheme offering collateral free credit to the business.

The Government of India has revised the criteria for classifying Micro, Small and Medium Enterprise (MSMEs). The investment Limit have been increased by 2.5 times, and turnover limit have been doubled. The revised classification is as under:

Type of Enterprise	Capital Investment		Turnover	
	Current	Revised	Current	Revised
Micro	1	1.5	5	10
Small	10	25	50	100
Medium	50	125	250	500

## Key Impacts of the Revised Classification:

**1. Impact on Gujarat Government Subsidies:** The expansion of the 'Micro' category will allow more enterprises to qualify for capital subsidies under the Atmanirbhar Gujarat Scheme 2022, fostering local business growth.

**2. Implications under the Income Tax Act:** With more enterprises falling under the 'Micro' and 'Small' categories, compliance with Section 43B(h) concerning disallowances becomes crucial.

**3. Commercial Impact:** The increased investment and turnover thresholds enable enterprises to invest more in plant and machinery without losing their MSME status, promoting modernization and expansion.

**4. Overall Economic Impact:** Higher investments in plant and machinery are expected to boost employment and consumption, stimulating economic growth.

Apart from this, the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) has made a major announcement regarding the guarantee cover and annual guarantee fees:

**•Guarantee cover enhanced from ₹5 Cr to ₹10 Cr** – improving access to collateral free credit to business.

**Reduced annual guarantee fees (AGF)** – lowering borrowing costs and improving cash flow for MSMEs. The revised rates of AGF are as per below

Borrowing Slab	AGF %
Rs. 0 – Rs. 10 L	0.37 %
Rs. 10 L - Rs. 50 L	0.55 %
Rs. 50 L - Rs. 100 L	0.60 %
Rs. 100 L - Rs. 200 L	0.85 %
Rs. 200 L - Rs. 500 L	1.00 %
Rs. 500 L - Rs. 800 L	1.10 %
Rs. 800 L - Rs. 1000 L	1.20 %

These revisions aim to provide MSMEs with greater flexibility and support, encouraging their contribution to the economy.
