CHAIRMAN'S MESSAGE

CA Harshit Desai

Chairman, Anand Branch
of WIRC of ICAI

Dear Esteemed Members,

Warm greetings to each one of you.

There are months that simply pass, and there are months that define who we are. July 2026 was the latter — for it carried within it our proudest day, the 78th CA Day, and our Anand Branch chose to celebrate it exactly as our profession deserves: with knowledge, with service, and with joy.

On 1st July, we raised our flag high at the 78th CA Day Flag Hoisting Ceremony — a moment that reminded each of us of the legacy we carry and the trust the nation places in the three letters we are so honoured to bear. The morning continued with a forward-looking session, 'The AI Amplifier: Supercharging Your CA Practice and Investment Acumen with Claude', led by CA Kaival Shah, as we embraced the technologies that will shape the next era of our profession.

True to the spirit of CA Day, we turned our celebration into service. Our members rolled up their sleeves at the Blood Donation Camp — 'Be a Hero, Donate Blood' — organised with the Indian Red Cross Society at Anand and Nadiad, giving the most precious gift one can give: life itself. Alongside it, we planted trees for a greener tomorrow, because a profession that builds the economy must also protect the earth.

And as the sun set, we celebrated. The CA Day Youth Festival at Lions Hall came alive with drama, music, dance, garba and so much more — a vibrant reminder that behind every balance sheet is a human being full of energy, creativity and heart. Watching our members and students shine on stage was, quite simply, a joy.

Dear members, 78 years ago our Institute was born with a promise — to serve the nation with integrity and excellence. This July, through knowledge, through service, and through celebration, we renewed that very promise. The future of our profession is bright, and it belongs to those who lead with competence and care — and I am proud to say, that is exactly who we are.

Together, let us keep serving. Together, let us keep shining.

With warm regards,
CA Harshit Desai
