CHAIRMAN'S MESSAGE

CA Harshit Desai

Chairman, Anand Branch
of WIRC of ICAI

Dear Esteemed Members,

Warm greetings to each one of you.

As we step into a new professional year, June 2026 has set a soaring tone for all that lies ahead — a month in which our Anand Branch celebrated knowledge, wellness, and service in equal measure, and in which our fraternity carried the flag of the profession with pride.

The month opened on a note of inspiration. On 1st June, it was my privilege to represent our profession as Chief Guest at the Orientation Programme of Sardar Patel College of Commerce, Bakrol — a reminder that the journey of every great Chartered Accountant begins with a single, determined step.

Knowledge then took centre stage at ADVAIT — National Conference 2026, held on 5th and 6th June at Waves Club, Bhayli, Vadodara. Organised by the Professional Development Committee of ICAI, hosted by the Vadodara Branch and jointly supported by our Anand and Bharuch Branches, ADVAIT — 'Integrating Intelligence, Elevating Trust' — brought together national luminaries and hundreds of members to reimagine a profession where intelligence, ethics, technology and strategy converge into one integrated force.

On 8th June, we celebrated our Branch Foundation Day in a way that nourished both mind and craft — an insightful session on 'Mindfulness: The Chartered Path to Balance' by CA Vrinda Vakharia, followed by a sharp technical discourse on 'Standard on Auditing' by CA Chintan Patel. It was a celebration of who we are: professionals who pursue excellence without ever losing sight of well-being.

That very spirit of balance carried into 21st June, when we welcomed the International Day of Yoga 2026 at Bhumi Party Plot, Anand. As the sun rose, members and their families came together for a morning of wellness — a gentle yet powerful reminder that a healthy mind and body are the true foundation of a flourishing career.

We closed the month with purpose at the ICAI MSME Mahotsav 2026 on 27th June, hosted jointly with the Vitthal Udyognagar Industries Association. Through the session 'Steps to Claim Every MSME Benefit You Deserve', we reaffirmed the role of the Chartered Accountant as a trusted partner in the growth of India's MSMEs — the very engines of our economy.

Dear members, June has shown us exactly what our Branch stands for: a relentless pursuit of knowledge, a deep commitment to well-being, and an unwavering spirit of service to society. The future of our profession belongs to those who learn continuously, lead courageously, and care deeply — and I am proud to say, that is precisely who we are.

Together, let us keep learning. Together, let us keep rising.

With warm regards,
CA Harshit Desai
Chairman, ICAI Anand Branch (WIRC)

अ ADVAIT

Integrating Intelligence, Elevating Trust

CA INDIA

5th & 6th JUNE 2026

ABOUT THE THEME

ADVAIT – Integrating Intelligence. Elevating Trust.

In a world of disruption, convergence is no longer optional, but a necessity.

The Chartered Accountancy profession is undergoing a significant transformation. Audit is driven by data and real-time assurance, taxation is global and dynamic, advisory is central to value creation and sustainability is integral to reporting. What once operated in silos now functions as a unified ecosystem.

ADVAIT captures this shift. Rooted in the timeless philosophy of non-duality, it represents a professional approach where intelligence, ethics, technology, and strategy converge into a single, integrated force.

Today's landscape demands more than technical expertise, it calls for the ability to connect insights, interpret data, anticipate risks, and navigate complexity while upholding trust.

ADVAIT is the platform to foster integrated thinking and enabling a shift from specialization to synthesis.

Because when intelligence integrates, trust elevates.
